Yes, you can change whenever you wish.Â

To change to an 'Unlimited' option

- 1) Login to your account.
- 2) Click 'Cancel' beside your 'Pay As You Use' Option on the **Summary Page**.
- 3) Your number will now default to a 'Free Account'.
- 4) Click 'Upgrade' on the **Summary Page**, you can then select the option you wish to change to.

Note: You will be charged an 'activation fee' but the total amount will be added to your call credit. You will not loose service or be charged penalties at any time.
